

Question # 5: How will the delivery system for eligible individuals meet the targets identified in the state's performance plan and the LEA determination as assigned by the state? What process will be used to evaluate the effectiveness of the delivery system for eligible individuals?

The district will examine their State Performance Plan (SPP)/Annual Progress Report (APR) data to determine priorities and develop an action plan. If the district meets SPP/APR requirements, the delivery system will be considered effective. If the district does not meet requirements, the district will work in collaboration with the State and AEA.
