

All Stewart Elementary students received a Character Counts t-shirt during the month of October. Students received the t-shirts free of cost thanks to the amazing support of community sponsors and donors. Second grade teacher, April Six, coupled with Stewart Boosters led the charge in organizing the project. The following sponsors made this project possible for our students: L to R- Trevor Rich (Liqui Grow), Dan Luers (Liqui Grow), Scott Miller (Syngenta), Mindi Reese (Stewart Boosters), April Cuddeback (Stewart Boosters), Virginia Jorgensen (West Chester Savings Bank), Brandon Long (Washington State Bank), Chuck Underhill (Hy-Vee), April Six (Stewart Elementary School). Not pictured but donated as well: Edge 2, Federation Bank, US Bank and Engineered Building & Design. Thank you to EVERYONE; we really appreciate your support!
