

On May 29, 2011, we lost a wonderful person, Jennifer M. Lewis due to a tragic accident. She was a friend, family member, student, classmate and teacher. The WHS class of '97 classmates would like to honor her memory by raising funds to donate a beautiful, engraved teacher desk to the Chemistry Lab at the newly built high school in Washington, IA. An account has been set up at Washington State Bank to hold funds, & submit a final check to WHS by July 30th. If you would like to be a part of this you may send any donations by check/money order/cash to: Jaimee Edwards, 819 S. Iowa Ave, Washington, IA 52353.
