

The Washington Jr. High Student Council members made custom printed fall t-shirts with Wesley Halcyon House residents on October 6. On the first Wednesday of each month, each of the four schools rotate to send a group of students to Wesley Halcyon House to spread a little sunshine! Activities range from arts/ crafts, music, drama performances, community service, games, readings etc. On the third Tuesday of each month, students visit the United Presbyterian Home to enjoy time with their residents in similar activities. It is a lot of fun for everyone!
