

Operation Snowflake 2011

Last Updated Tuesday, March 29 2011 12:07

Operation Snowflake 2011 was a HUGE success! On Saturday March 26, 47 students and 35 volunteers came together for learning, food, friends, and "fuzzies". Speakers addressed topics including drugs and drug use in Washington, alcohol use and abuse, and bullying. The keynote speaker was Jim Jelinske from Creative Education Services. It was an awesome day!
