

Thanks to everyone who ordered magazines from us for the fundraiser last fall. All orders should be filled by now and you should be enjoying your magazines! Another company has purchased QSP so we will now be working with Great American Opportunities. With this new company, will still get the same great service, have the same rep, and have some new offerings. If you need to check on your order the number to call for customer service is 800-251-1542. For any other questions about your order, please contact our office 653-5414. All proceeds from the sale this year will go towards media enabled classrooms in the 1918 building.
