

The Washington County Historical Society welcomes our new student reps, Garrett C. and Zoë K.. They are both 6th graders at Washington Middle School, and will follow the board through their MS career. The WCHS is excited to have their help with activities, ideas that will appeal to their age groups, and growing the membership of the students, Society Kids. Zoë has been involved with the WCHS events for a couple years, and enjoys doing reenactments of Ms. Patsy during Conger House Museum hours. Garrett's 4H group has recently agreed to take on the cleaning of the Red Brick School House also.
