

Lincoln Elementary hosted VIP Day on February 5th with over 350 parents, grandparents, friends and family members as VIPs on that day. VIPs were welcomed into the school and shadowed students in the classroom, at recess and enjoyed lunch together.

Special activities were designed to involve the student with their VIP. Some of the favorites included: playing JEOPARDY in a Language Arts classroom, rock climbing at Physical Education, bridge building in Science and attending the Book Fair sponsored by the Lincoln Parent Teacher Group (PTG). It was truly an educational day for everyone that attended.
