

Washington Community Schools hosted a Latino Parent Meeting on Monday evening, October 28, at the Washington Public Library. Sixty-four adults attended. Childcare was provided by Washington High School La Onda Student Group volunteers. Parents in attendance heard district news from all buildings, learned of adult English class opportunities at Kirkwood Community College and had a chance to win door prizes. WCSD English Language Learner (ELL) Program staff distributed free books for all families in attendance. Heather Lujano, WCSD Bilingual Outreach/ELL Coordinator facilitated the meeting in English and Spanish. Thank you to all who attended!
