

Sasha Visits Stewart

Friday, May 14 2010 07:00 - Last Updated Friday, May 14 2010 10:09

Mrs. Murphy's second grade class had a visit from Sasha, a dog that was found in Iraq and flown to Washington D.C. to be picked up by her new family in Riverside. This relationship began when the class began to correspond with David Hunter, who currently works in Iraq. They have followed Sasha's journey and had the opportunity to meet her on May 12th at Stewart!
