Lincoln- PTG raising money- new desks for classrooms, new climbing wall, Conference room- water damage- new windows and drywall, Friday- Bike a thon, Testing coming up- a reading and I ready, building goals- decreasing office referrals from recess. Worked hard on teacher quality.

Stewart- PBS goal met in 5 days, monthly calendar, great start, amazing teachers, Homecoming- great spirit day speeches- HS kids come down and play, makerspace room. Office is done

- **District good news and updates**

Grant opportunities- FFA new greenhouse, Ci3t grant- fidelity checks Supt visibility, casino grants- laser engraver,

- **Meet Mr. Stone**

- Profile of a Graduate update -

SIAC members voted for which statement they liked best for our Profile of a Graduate and selected:

- **Preparing our students to lead lives of purpose**

- **Data** trends we will be following

- Mr. Stone shared data points that will be tracked this year by each building. They include: attendance by grade level, office referrals by grade level, assessment results, graduation rate, dropout rate and ACT

- Title IV overview and survey

Top 3 vote-getters were:

- School-based health and mental health services (19)
- School-wide positive behavioral interventions/Ci3T (18)
- Social-emotional learning (7).

These areas will be used in moving forward and developing our district action plan for the Title IV application

- Final Questions-

- Next meetings: November 5, 2018
